July 13, 2018 Board of Selectperson's Meeting

In attendance: Raquel Welch, Larry Snowman, Kevin Taylor, Shirley Bartlett, Martha Witherell, Dawna Kazregis.

Absent: Carol Roach, Lynda Hebert

1. Meeting was opened at 11:00
2. Shirley Bartlett discussed the status of the current assessment. She inquired as to how long the town could wait to commit taxes. She feels that the work that is currently done is not accurate and feels like there will be a lot of errors going out in bills if we do not wait.

Raquel Welch stated the absolute latest is August 13th. Shirley did not feel she could have all of the corrections fixed in that amount of time. Much discussion was had to brainstorm solutions to this issue.

Raquel Welch made a motion to hire Vera Parent for one day at \$25.00 per hour to go through Trio and list any errors she sees. This list will be forwarded to Shirley to fix. This hourly rate will come out of the assessors account pending voter approval of the budget at the special town meeting on July 18, 2018. Seconded by Kevin Taylor. All in favor.

3. Raquel Welch motioned to adjourn at 12:30, seconded by Larry Snowman. All in favor.
