WELCOME KURT ELLIS

At the Membership Appreciation Dinner and Annual Meeting in July, the current WPA Board and Kurt Ellis were "voted in" for 2020. Kurt is a welcome addition to the Board and will continue to play a key role in the annual Golf Tournament.

How'd We Do?

The WPA Board is very interested in your opinions . . . especially those related to the WPA's programs and events, so we've created a short survey that should take you no more than ten minutes to complete AND will hopefully provide us with invaluable information about what you like and what needs improvement. **Please complete the WPA Satisfaction Survey by September 21st.** Survey results will be shared in the October Newsletter.

VOLUNTEERS NEEDED

Over the course of the summer season, many have asked "How can I help? I don't want a big job but I'm willing to pitch in on something that needs to be

done." So, here are some ideas to ponder before the summer of 2020 arrives:

1. **Invasive Plant Patrols:** We are looking for six volunteers to survey a small section of shoreline in August or September, i.e. when most plants are "in bloom" and easy to detect. No experience necessary!
2. **WPA Bulletin Board:** If you have a creative gene (or two), the WPA Bulletin Board updates are easy and ensure that everyone around the pond is well informed.
3. **Facebook Editor:** Help the WPA publicize its programs and events, post wildlife pictures, and share sponsor pages.

Additional volunteer opportunities will be posted in future newsletters and on the WPA website so, if you don't see what you like here, stay tuned!!

If you are interested in any of these roles, please contact worthleypondassociation@gmail.com. Thank you!!
